

2018 RED HOOK GOLF CLUB

BIG - LITTLE

Date: Saturday July 28, 2018
** Weather Permitting **

Time: 3:00 PM (shotgun on the Front 9)

Cost: \$5 / person

Open to all members and their children/grandchildren/nieces/nephews/etc. Geared towards children between ages of 5 to 14, but any ages are welcome.

(The nominal \$5 fee/person goes directly toward the hot dog barbecue and snacks/refreshments that will immediately follow play. So anyone looking to partake in the barbecue/snacks/refreshments needs to pay this nominal fee.)

A complimentary cart will be provided to the adult member for this event to help with the pace of play, carrying clubs, and to hopefully help with the children not losing interest as we try to get through 9 holes....

At the conclusion of the event, there will be a hot-dog barbecue with snacks and refreshments. There will also be fun games and events near the practice putting green and patio behind the 18th hole. (A cash menu is also available from The Clubhouse Restaurant for additional items....\$5 entry fee only covers the hot dog barbecue and refreshments/snacks.)

Please Note: When signing up for this event, please indicate how many children will be attending with you, and their names.

Format:

- The format for this fun event is **To Be Determined**. The concept is for all to **have fun** and to get the children out onto the course and accompany their parent/grandparent/etc. *(Children playing in the event must be accompanied by an adult to supervise them while on the course. This is not a drop off where the children are to be left unattended!)*
